

The Titan Stainless  
Steel Collection

[caroma.com.au](http://caroma.com.au)

*inspire*  
**Caroma**

The leading name in Australian bathrooms has demonstrated continued ingenuity and advanced engineering with the extension of the popular Caroma Titan Mixer Range – Caroma’s first stainless steel mixer range.

The collection – which now includes a new range of showers and outlets – boasts signature quality and durability without compromising on design. Titan tapware is manufactured from 304-grade stainless steel, which is bacteria-free, and does not require dangerous chemicals or metals such as lead in its manufacture. The distinctly Australian mixers, showers, outlets and accessories from the Titan Collection are easy to clean, hygienic and offer optimal resistance to wear, making them the must-have addition to your bathroom or kitchen.

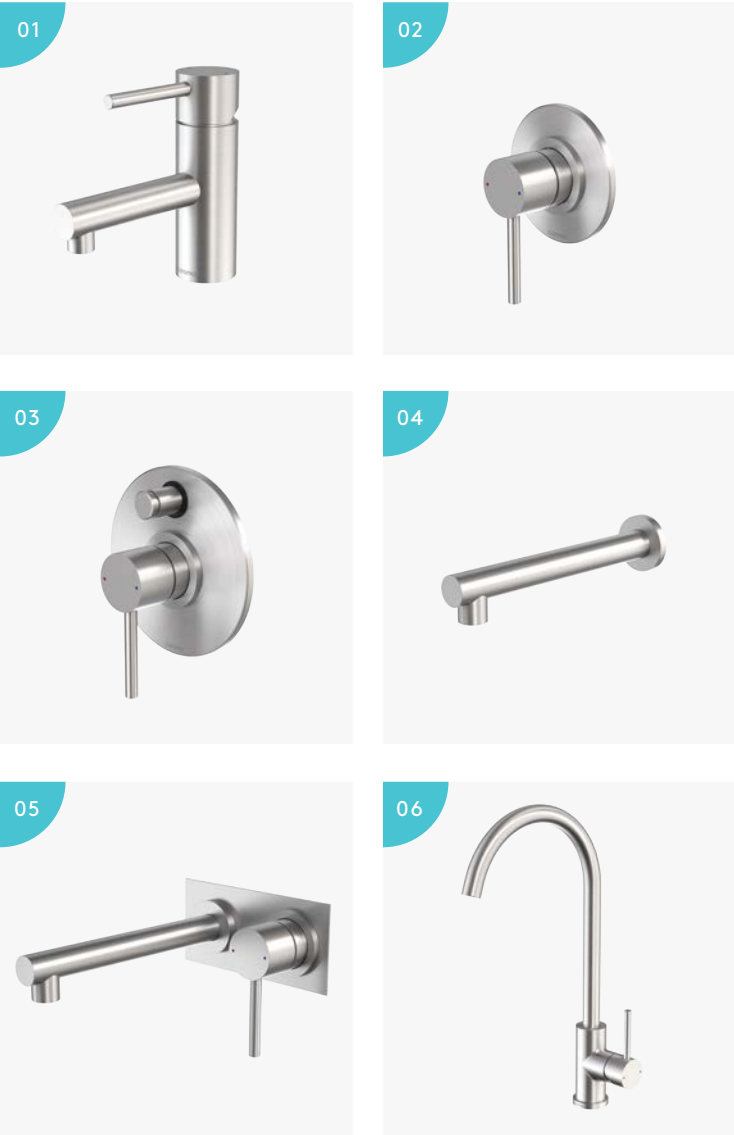

# The Titan Mixer Range

Caroma’s signature craftsmanship and aesthetic distinction are showcased in the Titan Mixer Range, which combines robust, premium quality materials with innovative designs. For the bathroom, the Titan Basin Mixer has a timeless pin handle for precise water control, ensuring a user-friendly washroom experience. The range also features the elegant gooseneck sink mixer with swivel outlet, adding style and superior durability to any kitchen.

## Features

- WELS 6 star rated Basin Mixer and 5 star rated Sink Mixer
- Stainless steel construction for enhanced corrosion resistance
- Soft PEX hoses for superior durability and antibacterial properties

- // 01 Titan Basin Mixer
